Dear Sir/Madam:

We have received your application requesting authorization to impact Mulberry Creek, unnamed tributaries to Mulberry Creek, and non-tidal wetlands as part of the Dick and Willie Passage Trail in Henry County.

Based upon a review of your application, your proposal does not fall within the jurisdiction of the Marine Resources Commission, therefore, no authorization will be required from this agency. For your information, you may need authorization from the U. S. Army Corps of Engineers, the Department of Environmental Quality and / or your locality prior to commencing your project. Your application has been forwarded to these agencies.

If I may be of further assistance, please contact me at (757) 247-2255 or via email at mike.johnson@mrc.virginia.gov.

Sincerely,
